About Me

My name is Adrian Jandongan, 25, a professional UI/UX, web and graphic designer based in Iloilo, Philippines. I provide effective web solutions for local and international clients in a wide variety of industries across the globe.

From my creative hobby and passionate interest to graphic designs, my established identity and credibility in this field for the past decade made me achieved every client's highest expectations and needs. With detailed knowledge of design practices, I deliver design concepts to life that look simple yet creative. I design interfaces for the web and software that showcase a balance of beauty and usability.

Aside from being a creative, I was also a dance enthusiast, registered nurse and a foodie.
